and UNITED STATES CONGRESS, )  
                          )  
Defendants.            )

**ORDER**

On August 16, 2022 the United States Magistrate Judge's Order and Recommendation ("Recommendation") was filed and notice was served on the parties pursuant to 28 U.S.C. § 636. (Doc. 8, Doc. Ent. 8/16/2022.) In the Recommendation, the Magistrate Judge recommends that this action be filed and dismissed sua sponte without prejudice to Plaintiff filing a new complaint on the proper forms. No objections were filed within the time prescribed by Section 636. However, Plaintiff filed a motion for speedy disposition. (Doc. 9.)

Therefore, the court need not make a de novo review and the Magistrate Judge's Recommendation is hereby adopted. In light of adopting the Recommendation and dismissing this action without prejudice, Plaintiff's motion for speedy disposition will be denied as moot.

**IT IS THEREFORE ORDERED** that the Magistrate Judge's Recommendation, (Doc. 8), is **ADOPTED**. **IT IS FURTHER ORDERED** that this action be filed, and is hereby, **DISMISSED sua sponte** without prejudice to Plaintiff filing a new complaint, on the proper forms, which corrects the defects cited in the Magistrate Judge's Order and Recommendation.

**IT IS FURTHER ORDERED** that Plaintiff's motion for speedy disposition, (Doc. 9), is **DENIED AS MOOT**.

A Judgment dismissing this action will be entered contemporaneously with this Order.

This the 2nd day of March, 2023.

William L. Osten, Jr.  
United States District Judge
